The wind howled across the hills as Liora clutched her clock tighter. The kingdom of Eldoria had never seen a storm like this before.

Alice

In the distance, the **ancient tower** loomed-dark, silent, and calling her name.

She took a deep breath and stepped forward, knowing that **there was no turning back.** |

Maybe change 'ancient tower' to something more mysterious?

Reply

John

Sometimes, too, they talked of engaging in active rebellion against the Party, but with no notion of how to take the first step. Even if the fabulous Brotherhood was a reality, there still remained the difficulty of finding one's way into it. He told her of the strange intimacy that existed, or seemed to exist, between himself and O'Brien, and of the impulse he sometimes felt, simply to walk into O'Brien's presence, announce that he was the enemy of the Party, and demand his help. Curiously enough, this did not strike her as an impossibly rash thing to do. She was used to judging people by their faces, and it seemed natural to her that Winston should believe O'Brien to be trustworthy on the strength of a single flash of the eyes. Moreover she took it for granted that everyone, or nearly everyone, secretly hated the Party and would break the rules if he thought it safe to do so. But she refused to believe that widespread, organized opposition existed or could exist. The tales about Goldstein and his underground army, she said, were simply a lot of rubbish which the Party had invented for its own purposes and which you had to pretend to believe in. Times beyond number, at Party rallies and spontaneous demonstrations, she had shouted at the top of her voice for the execution of people whose names she had never heard and in whose supposed crimes she had not the faintest belief. When public trials were happening she had taken her place in the detachments from the Youth League who surrounded the courts from morning to night, chanting at intervals 'Death to the traitors!' During the Two Minutes Hate she always excelled all others in shouting insults at Goldstein. Yet she had only the dimmest idea of who Goldstein was and what doctrines he was supposed to represent. She had grown up since the Revolution and was too young to remember the ideological battles of the fifties and sixties. Such a thing as an independent political movement was outside her imagination: and in any case the Party was invincible. It would always exist, and it would always be the same. You could only rebel against it by
